# ECONOMIC DEVELOPMENT 101

Join IMPA and Leslie Wagner with Ginovus to discover the ins and outs of economic development in municipal electric communities. This lunch and learn session will explore best practices in collaborating with local partners to promote economic success for your community.

Course topics include:

- Working with local economic development personnel
- Assistance in completing RFIs
- Best practices for site visits

IMPA member community personnel that should attend:

- IMPA commissioners
- Utility employees
- Economic development personnel
- Community development personnel
