

# FEBRUARY WORKSHOP

## Metering 201

IMPA is pleased to bring you a workshop on Metering 201.

Attendees will deepen their knowledge of metering systems through performing hands-on practical wiring exercises, troubleshooting common metering and AMI (Advanced Metering Infrastructure) system issues, and taking a deep dive into the Tantalus AMI systems, covering configuration, diagnostics, and optimization. The workshop emphasizes interactive learning, problem-solving, and real-world applications.

IMPA member community personnel that should attend include:

- Meter Personnel
- Lineworkers
- Engineers
- Utility Superintendents
